

# Réseau National de Spectrométrie de Masse FT-ICR à Haut Champ

FR3624 CNRS

## User's meeting - 2016

Friday May 27 2016

Bâtiment ISEA, 7 rue Marconi, Metz

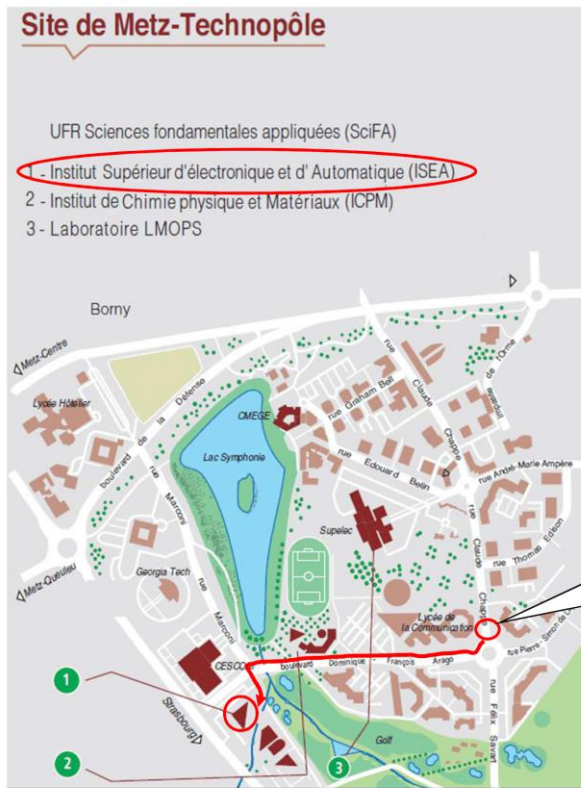

- |               |  |
|---------------|--|
| 9h30 – 9h45   | Welcome coffee   |
| 9h45 – 9h50   | Opening, Presentation of the Federation, its missions and its organisation<br>Guillaume van der Rest (Director of the FR 3624) |
| 9h50 – 10h10  | Presentation of the LCP-A2M (Université de Lorraine) FT-ICR platform<br>(Frédéric Aubriet, Scientific coordinator)             |
| 10h10 – 10h30 | Aurélien Lo (Université Paris Sud) – To be announced.  |
| 10h30 – 10h50 | Anthony Dufour (LRGP, Université de Lorraine) – To be announced  |
| 10h50 – 11h10 | Alexandra Emmanuel, Chiara Giangrande (ESPCI) – To be announced  |
| 11h10 – 11h30 | Presentation of the Réseau RENARD (National EPR spectroscopy network),<br>Hervé Vézin (Université de Lille 1)                  |
| 11h30 – 11h50 | Presentation of the LCM (Ecole Polytechnique) FT-ICR platform (Gilles<br>Frison, Scientific coordinator)                       |
| 11h50 – 13h15 | Lunch break  |
| 13h15 – 13h35 | Sarah Nasser (INRA, Lille) – Ageing of caseins in powdered milk:<br>comparison of bottom-up and top-down proteomic approaches. |
| 13h35 – 13h55 | Jean-Christophe Pouilly (GANIL, Caen) – Comparison of ETD, ECID and ECD<br>for the fragmentation of small caged peptides.      |
| 13h55 – 14h15 | User # 6   |
| 14h15 – 14h30 | Concluding remarks and discussion – Coffee Break   |
| 14h30 – 16h30 | Scientific committee meeting.  |

Participation at the user meeting is free for all participants. The lunch is included for all participants.

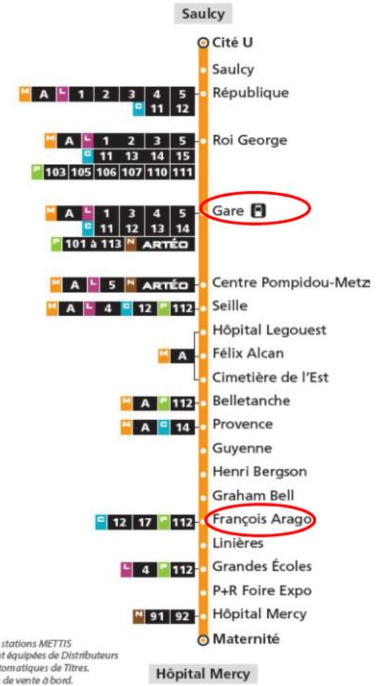

For practical organization, please complete the survey on  
<http://doodle.com/poll/8b8n5b5mzuc8rmrt> or send an email to
